Save child refugees: The UK government's planned Brexit agreement would be the end to refugee family reunion as we know it. This is not what the Prime Minister promised vulnerable refugees when he removed protections for them from the EU bill in January. That is why a cross-party group of MPs is putting forward Amendment NC29 in the Immigration Bill. This would continue existing arrangements for refugee family reunion between the UK and the EU. The more MPs that support this amendment in public, the greater the chance it succeeds. Please write to your MP now and ask they add their name to Amendment NC29. See more details here
